Re: Questar Gas Company's 2016 Integrated Resource Plan  
Docket No. 16-057-08

Dear Commissioners,

On February 4, 2016, the Commission issued a Public Notice for a series of pre-filing workshops related to Questar Gas Company's (Questar Gas or Company) 2016 Integrated Resource Plan. The Public Notice did not indicate that the Thursday, June 23, 2016 meeting would be a confidential meeting. I am writing to ensure that the Commission is aware that the Company's planned presentation for June 23, 2016 may contain certain information that is deemed confidential. Similarly, participants' questions could call for the disclosure of confidential information. The Company will defer to the Commission to determine how best to conduct the meeting.

If you have any questions or concerns, please contact me.

Sincerely,

Barrie L. McKay

Vice President Regulatory Affairs
